major home repairs which we've put off to get our children through college.

My wife Francina is working for the City of Detroit Water Department. She is paying for a parent loan for our daughter's undergraduate classes. I'm paying for a 3 month graduate probation loan of \$20,000 from my Credit Union at 1.99% interest rate over 5 years. My Daughter Shannon tried to get a \$25,000 3 month probation loan from Wells Fargo. Wells Fargo said she would have to pay \$75,000 after graduating from Veterinarian Medicine. We paid off one son's loan and another son is still in college. Our home needs roofing, stucco replacement outside, replacement windows, electrical rewiring inside, plumbing repairs and living room ceiling repaired from plumbing problems.

I can't afford any cuts in my pension, Health Care, Cost of living and Annuity.
